Dear Mr. McAllister:

I am writing to request application information regarding your program of research support. Please be so kind as to send a statement describing policies of The Council and a recent Annual Report that lists grants which are currently supported along with an application form.

The information can be mailed to me at the following address:

c/o Harvard Medical School
The Warren Alpert Building
200 Longwood Avenue
Boston, MA 02115

Thank you for your attention to this request.

Sincerely,

Barbara E. Doran
